BREWERY FOCUS

We shine the spotlight on one Irish Craft Brewery at a time. Every 2 months we dedicate 2 taps to a local brewery. We currently have on tap two beers from Whiplash Brewery

Founded in 2016 by Alex Lawes and Alan Wolfe, Whiplash began as a small-batch weekend project and has grown into one of Dublin's most respected craft breweries, combining bold flavour with serious attention to brewing craft.

Whether it's crisp lagers, session IPAs or full-on stouts, Whiplash are known for flavour-forward, well-crafted beer with personality.

Here are the two Whiplash beers we're pouring this month:

BLUE GHOST - PILSNER (5.2% ABV) (I) €9.10

A bright, clean German-style pilsner brewed with German pilsner malt and fermenting on a dedicated lager strain for extra smoothness. Expect crisp malt character with fresh citrus and subtle herbal notes, balanced and ultra-drinkable.

ROLLOVER - SESSION IPA (3.8% ABV) (I) €9.10

This hazy, juicy session IPA punches above its weight, it delivers fruity, soft, easy-going flavour with just enough hop character to keep things interesting.
